Resource Mobilization for Population Health: Meeting Patient and Community Health Needs

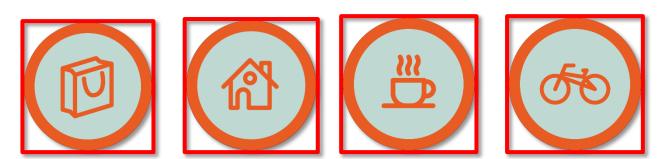

Progress Since 2013

New York State Health Initiatives

Updated April 2016

job training and employment programs supportive housing & rent subsidies nutritional support & family assistance other social services that exclude health benefits

BROAD DETERMINANTS OF HEALTH

In order to achieve health, we must improve the built, social, economic, and physical environments in which people live, play and learn.

I HE NEW YORK ACADEMY JF MEDICINE

FIVE PREVENTION AGENDA PRIORITIES

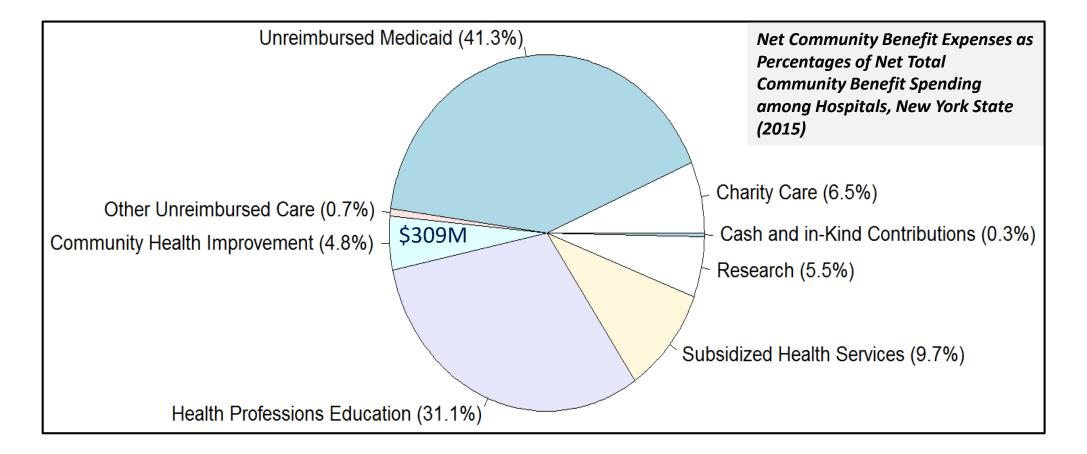

- **1. Prevent chronic diseases**
- 2. Promote a healthy and safe environment
- 3. Promote healthy women, infants and children
- 4. Promote mental health and prevent substance abuse
- 5. Prevent HIV, sexually transmitted diseases, vaccinepreventable diseases and healthcare associated infections

Hospital Community Benefit Investment In 2015, private non-profit hospitals in NYS (n=134) spent \$6.39 billion on community benefit, accounting for

In 2015, private non-profit hospitals in NYS (n=134) spent \$6.39 billion on community benefit, accounting for 12.5% of their total operating expenses, including 0.6% for community health improvement.

SCHEDULE H ALIGNMENT WITH THE NYSPA

The Governor's Vision

- Advance a Health Across All Policies approach to incorporate health considerations into policies, programs and initiatives led by nonhealth agencies.
- Consider how all of our policies, programs and initiatives support us achieving the Governor's goal of becoming an age friendly state.
- Long term goal is to embed Health in all Policies and considerations for Healthy Aging into all aspects of our government work.

NYS FUNDING WITH POTENTIAL TO LEVERAGE POPULATION HEALTH

- DSRIP \$8.25b over 5 years
- SHIP \$100m over 4 years
- PHIP \$15m over 2 years
- Community Benefit \$309m in NYS in Community Health Improvement Category of Schedule H in 2015
- NYS Economic Development Initiatives
- Banks and Community Development Corporations
- Social Impact Bonds
