What are opennotes?

Visit notes that are easy for patients to access, usually through a patient portal.

The screenshot displays a patient portal interface. At the top, there is a button labeled "View After Visit Summary" with a small icon. Below this, a card shows the date "SEP 15 2022", the type of visit "Office Visit", the provider "Karen Ann Siller, MD", and the location "Southern Jamaica Plain Health Center". Underneath the card, there are three buttons: "View notes" (circled in blue), "View After Visit Summary", and another "View After Visit Summary" button. The "View notes" button is highlighted with a blue oval.
